

## BEST KEPT VILLAGE 2016 – Highly Commended

The results are in and sadly Fulford has had to say goodbye to the trophy that has looked so splendid on the village green all year. Despite not reaching the finals the comments were very positive:

### BEST KEPT VILLAGE COMPETITION 2016 – JUDGES' COMMENTS FULFORD

BKV awareness was tackled through items in local publications, the village website and emails to residents. There were plenty of BKV posters on sites all around the village; with the "Working Together" banners looking very eye-catching. They certainly got the message across!

All the noticeboards were in good condition with neatly displayed notices. There was a good spread of up-to-date local information - "we knew what was going on and who we would need to contact".

The churchyard in May was not at its best; however, in June it looked very neat and tidy, and had been mown to a high standard. There were attractive planters by the church door and the new noticeboard contained relevant up-to-date information. The car park was tidy.

The village hall car park and surrounds were very neat and tidy; but there were a few cigarette ends and other litter near the front in June. There were some attractive, well maintained planted areas.

The Shoulder of Mutton surrounds, car park and beer garden were tidy, litter-free and looked well cared for. The community herb garden at the front illustrated links between the pub and the community.

The telephone call box was beautifully painted and "in pristine condition inside and outside". There was no litter or weeds in the surrounds. There was a BKV poster displayed inside.

The bus shelter was well maintained, with an up-to-date bus timetable and the surrounds were free from litter and weeds. All seats and benches were in good condition, with clean, weed and litter free surrounds.

The Well and both structures on the Village Green were excellent features. There were also excellent planting features on the bridge parapet, at the junction of Meadow Lane and other smaller planted tubs.

The Village Green and all the small open spaces and verges were in excellent condition, neatly mown and well cared for. The small open space at the village hall created a good welcoming impression. Apart from one or two, private gardens were maintained to a very high standard, "with lots of colour and nice shrubs".

Judges said that "the children's play area was delightful"; with equipment in good condition, excellent safety surfaces and well mown grass surrounds. Very little litter was seen and no dog mess. There was good evidence of BKV awareness and involvement of village residents throughout the judging period.

Fulford was described by judges as "a pleasure to visit – even on a damp day in July". There was again a great deal to praise in Fulford this year and in the very closely contested Small Village category in the Stafford Area the village was unlucky not to reach the Area Finals. Judges were convinced, however, that Fulford would be competing for "top honours" again very soon.

### **AUTUMN TIDY Saturday 12<sup>th</sup> November 10.30 a.m. Village green.**

The village green looks so much better in the spring and the paths around the green are safer if the leaves are cleared in the autumn. Just an hour from lots of people will quickly get this job done so put Saturday November 12<sup>th</sup> in your diary, bring a rake and/or a brush and we will provide the bags!

### **CRY BABY AND THE HOOCHIE COOCHIE BOYS November 19<sup>th</sup> 8.00 p.m. Village hall**

A five piece rhythm and blues outfit combining the 50's Chicago rhythm and blues sound with high energy British blues, Cry Baby and the Hoochie Coochie Boys have been gigging around the Potteries since 2009. Recently described as a 'Dance Floor Rhythm and Blues Band' Cry baby were a massive hit at Fulfest and that pretty much says it all – Cry Baby will soon get you on your feet! Tickets cost £8.00 and will be available on the door or in advance from anyone in the village group, there will be a bar (so please do not bring your own drinks but do bring nibbles if you wish) and doors open at 8.00 p.m. All monies raised will go towards village funds.

### **THE REVEREND PREBENDARY PETER DAKIN**

We were very sad to hear that Peter will be retiring on health grounds and that Peter, Cathy, Michael and Sarah will be moving away from Fulford. The family have been part of village life for many years and will be sadly missed but particularly Peter's kindness, caring and humour. We all wish Peter well for the future and thank him for his contribution to the parishes of Fulford and Hilderstone.

### **HARD BACK BOOKS WANTED**

Money keeps coming in steadily from the sale of books at the pub with £1,100 having been raised for the Church so far. A request has come in however for good quality, hard backed books to furnish a library and the customer will make a significant contribution if these books can be supplied so please, if you have some hard back books you no longer need please drop them off at the pub. Books that do not sell are taken to Oxfam and over £140 has been raised from the sale of these.

### **HIGHWAYS**

Maintenance of the village infrastructure is no longer done routinely so it is in our interest to report blocked drains, holes in the roads, street lights, flooding, areas that have become hazardous, grit bins that need filling, etc. It is a very easy process either by phone, or quite simply and accurately on the County Council website, it takes 2 minutes on [www.staffordshire.gov.uk/](http://www.staffordshire.gov.uk/) "road or lighting faults". Or phone 0300 111 8000. Environmental issues, such as littering, graffiti, dog mess, sharps, fly tipping and problems with children's play areas, can all be reported with just one phone call to StreetScene or on the Borough Councils website [www.staffordbc.gov.uk/](http://www.staffordbc.gov.uk/).

### **FULFORD COMMUNITY CHOIR Sundays 4.00 – 6.00 Village hall (roughly fortnightly)**

## **FULFEST 2016**

Despite the best preparation ever, a fantastic programme of music, children's activities and pub music and food, the weather just did not want to be kind. After torrential rain overnight the village green was sodden and quickly turning into a mud bath so, for safety and comfort, the decision had to be made to move everything to the village hall. If ever there was an example of the fantastic community spirit that exists in Fulford, this was it! With the amazing help of the Staffordshire Police Cadets, some imaginative thinking from the organisers and lots of willing helpers, in a matter of hours the festival was relocated. We were all sad to see everything disappearing from the village green but there was soon a steady stream of people making their way to and from the village hall to the pub and there was live music in the pub until late into the night. At the village hall tea and cake was soon being served, children's games organised, the bands were playing and in spite of the last minute reorganisation the schedule was running to plan. Thank you to the Parish Council for their ongoing support and to everyone who helped to make Fulfest '16 a day to remember!

## **PHOTOGRAPHIC COMPETITION**

All the winning photos are now framed and on display in the pub (they can be seen en-route to the toilets!) and last year's winners have received their framed pictures to keep. Thank you to everyone who submitted their photos to this year's competition – keep snapping great views of Fulford!

## **FULFORD 2017 CALENDARS**

The Fulford 2017 Calendars are at the printers and will be on sale at village events soon. The photos selected for the calendar were submitted in the photographic competition and feature scenes and wildlife from Fulford. The calendars are available in two formats and cost £6.00 or £4.00 with all money raised going towards projects in Fulford.
