Spring 2015

## BEST KEPT VILLAGE 2015

Villagers are preparing for the Best Kept Village competition with several initiatives to ensure that at least “Highly Commended” is again achieved. The roadside approach to St Nicholas Church was identified as in need of attention, and with the support from Streetscene at the Borough Council, the Parish Council has adopted this area and now has it on its regular programme of grass cutting.

**The first BKV Village Spring Clean will be on Sunday March 22<sup>nd</sup>** – meet at 11 a.m. on the village green to help prepare the village for the Best Kept Village judging which starts as usual on May 1st. Green bags and litter pickers will be provided, all that is needed are lots of willing helpers!

**The photo competition** theme is ‘Fulford Month by Month’. Entries can be submitted electronically to rich@rwapservices.co.uk or hard copies delivered to Rich Mellor 3, Dale View Court, before the closing date of June 15<sup>th</sup>. As last year, copies will be printed and displayed at Fulfest (July 11<sup>th</sup>, put it in your diary!) for the public vote to decide the category winners. The Fulford 2016 calendar, compiled from competition entries will be on sale from the autumn.

## VILLAGE WALKS keeping Fulford Fit!

The walks take place on the first Sunday of each month and start from the village Green at 11 a.m. (apart from the Dawn Chorus walk that is much earlier) returning by 1 p.m. The routes are not too strenuous but sometimes a bit muddy so walking shoes or wellies are recommended.

Blow the cobwebs away and meet your neighbours – it’s a great way to spend a Sunday morning! Forthcoming walks: **March 1<sup>st</sup>**, **March 29<sup>th</sup>** (this walk is taking place a week earlier than would be expected to avoid Easter), **May 3<sup>rd</sup> Dawn Chorus walk** (look at the web site or noticeboards nearer the time for more information), **June (date tbc) Rhododendron walk**, **July 5<sup>th</sup> Summer Strawberry walk** (more info to follow). A small group still do the health walk for an hour on a Wednesday morning, starting at 9.30am on the Green.

## SUPERFAST BROADBAND REACHES FULFORD (ALMOST)

You may have noticed the new green box which has appeared just opposite the Village green (alongside the Old School House). This is part of the County Council’s initiative to bring superfast fibre broadband to the whole of the County.

The fibre network will be pulled through the existing BT underground trunking, which means that there will be minimal disruption during installation (unless the trunking has collapsed and they need to dig it up to repair it), and so with luck, installation could be completed by the end of March.

This is known as ‘Fibre to the Cabinet (FTTC)’ broadband – the connection from the Green to your house remains unaffected, but if you switch from standard broadband to fibre broadband, you should see a significant speed increase with downloads improved from between 0.5Mbps to 2Mbps at present, to anywhere between 15Mbps and 70Mbps– a minimum speed up of around 10 times! Uploads are also improved from around 0.5Mbps to 2Mbps, so that will help you with sending emails or uploading photos or documents.

You should be able to stay with your existing broadband supplier if you wish to take advantage of the new service, although they may not all offer the fibre broadband service straight away, but cost is around £5/month on top of your existing broadband cost. The extra speed is especially advantageous if you currently share your internet connection between PCs, laptops and games consoles, but there is another advantage in that most providers offer some form of TV on demand service, allowing you to watch BBC iPlayer for example, through your TV screen. It doesn't replace Sky or Freeview completely, but can be a bonus for those of us who still struggle with freezing TV programmes or loss of satellite signal when it snows. The other option might be to try to entice Virgin Media to extend their network (although their recent expansion plans appear to be limited to filling in gaps in their existing coverage) – you can register your interest via [www.virginmedia.com/cablemystreet](http://www.virginmedia.com/cablemystreet)

### **TABLE TENNIS Village Hall every Friday 10 'til 12 £2.00 to include refreshments.**

### **FULFORD COMMUNITY CHOIR Sundays 4 p.m. – 6 p.m. in the Village Hall**

Some feedback from a recent questionnaire:

'The choir is great – it's very different to what I do during the rest of my week and hugely therapeutic as well as good fun with some lovely people'

'I love attending choir and would definitely recommend it to a friend – it gives a sense of community to our village and I have met new people, both young and old.'

'I am a relative new comer but I have been made to feel very welcome. The choir rehearsal is, for me, just perfect – relaxed, non-judgemental and above all, good fun. FCC has that real 'feel good' factor'. Still wondering whether it is for you? Come along for a free rehearsal – you will not be expected to read music or asked to sing on your own. The dates vary, so check the village website for the next rehearsal or phone Wendy on 01782 398186

## FULFORD AND DISTRICT COMMUNITY FIRST RESPONDER CHARITY

### Please help us... help you...

We are your local Community First Responder team – a dedicated team of volunteers who are trained by West Midlands Ambulance Service and dispatched to emergency calls, providing lifesaving treatment to people in our community, whilst the ambulance is on route.

2014 was our busiest year to date! We had 885 emergency call outs (approximately a call out around every 2 hours!) and provided over 2500 staffed hours to the Fulford & District Community. Local support has always been gratefully received. In order for us to continue this vital service, we continue to need your help. As you can imagine, any spare time our busy volunteers have, is dedicated to going on duty in the responder car, but some of us find additional time to help raise funds for the charity, like local pub quizzes and Tesco collections. We really need some extra support with this. Can you spare a few hours to help us fundraise? Would your employer or company be willing to run a fundraising activity or collection for us? We do not receive any funding from the NHS to run the scheme and all donations go directly towards keeping our community responder car on the road.

If you can help, please contact David Steele (Group Coordinator) 07946185945 or Chad Bloor (Group fundraiser) 07535313132. You can also follow us on Facebook and Twitter @FulfordCFR

### Heart Start Workshops 2015 ...

Local Heart Start and Defibrillator Awareness workshops in 2014 were very well attended and there will be more free workshops in 2015! Look out for posters and flyers with details of how to book on, and dates, which will be advertised on local notice boards and the village hall. If you have a 'ready-made' group of 8 or more people who would like to run a Heart Start workshop you can book a workshop directly, contact: [Mike@fulfordanddistrictcfr.co.uk](mailto:Mike@fulfordanddistrictcfr.co.uk)  
Just two hours of your time and you will have the basic skills that could save the life of a loved one.

### FULFORD VILLAGE HALL [www.fulfordvillagehall.org.uk](http://www.fulfordvillagehall.org.uk)

The **Annual General Meeting** will be held on Wednesday 29th April at 8:15pm. All residents are invited and new members and ideas are welcomed. All village organisations using the Village Hall should be represented on the Management Committee for the next year 2015/2016.

The Village Hall continues to be a fantastic resource for the village not only for the activities it hosts but as a location for fundraising and social events for the local community, and for private parties, weddings and birthdays. Additional revenue is also achieved by occasional lettings for caravan rallies in the early spring and late autumn.

The pre-school which operates Monday – Friday has recently achieved an **outstanding** report from Ofsted “Staff are highly enthusiastic and motivated. They act as excellent role models to children to enable them to become active thinkers and learners. Consequently, children make excellent progress and are extremely well prepared for the next stage in their learning, such as school.”

The previous Newsletter reminded that there is a full size table tennis table at the Village Hall just waiting to be used. An enthusiastic group took this up on a Friday morning and another day may be necessary to satisfy demand! For a timetable of the regular bookings held in the hall and for information about forthcoming events, please visit [www.fulfordvillagehall.org.uk](http://www.fulfordvillagehall.org.uk). For party bookings tel. **01782 388784** or email [bookings@fulfordvillagehall.org.uk](mailto:bookings@fulfordvillagehall.org.uk).
