SPRING IN FULFORD 2023

BEST KEPT VILLAGE 2023

May is fast approaching and the Best Kept Village judges will soon be back in Fulford. The village achieved Highly Commended in the small village section and came third in the Community Spirit award in 2022, both fantastic achievements and testament to the care people take in the village. As always there will be opportunities to help in the village tidy ups and other maintenance projects (dates to be advertised nearer the time).

All help greatly appreciated!
