SPRING 2017

## BEST KEPT VILLAGE 2017

Entering the Best Kept Village competition will bring many challenges this year, not least of which will be making good the verges and grassy areas that have been dug up and then dug up again all over the village. If you are only able to do one thing to help, make it tidying up the verge near your house! This may be sweeping, using a spade to clear the mud and straighten the edges, making good tyre marks or reseeding bare earth. Otherwise plans are already under way for the usual planting of the flower beds, trimming overhanging branches and washing the signs etc.

New for this year will be a focus on wildlife with a 'Grow the largest Sunflower' competition and the nurturing of caterpillars to increase the butterfly population of Fulford (details to follow in the April newsletter). These topics will also be the focus for the BKV school posters so look out for lots of lovely bright art work by the children of Fulford Primary School all over the village from May 1<sup>st</sup>.

As in previous years the photographic competition will be taking place with the focus being Fulford and its Fauna and Flora. The village calendar 2017 sold out within days so if you would like to see your photo in print either as one of the vote winners framed in the pub or in the calendar, the closing date is June 5<sup>th</sup>. The garden competition will be judged during the week beginning Monday 19<sup>th</sup> June. More details about these competitions will follow in April's newsletter.

### **SPRING TIDY Saturday 4<sup>th</sup> March 10.30 a.m. Village green.**

Just an hour from lots of people will quickly tidy the village green and surrounding paths, so put Saturday 4<sup>th</sup> March in your diary, bring a rake and/or a brush and we will provide the bags and coffee!

### **NO ACCESS HGV SIGNS**

Signs have been placed at the bottom of Tudor Hollow and the top of Brooms Lane informing HGV drivers that there is no access through the village to Stallington.

### **DOG FOULING**

There have been improvements in the dog poo count in Baulk lane but other areas are a cause for concern. Please, please pick up after your dog – most do, it's just a few dogs and their owners that leave their mess for others to clear up or step in.

### **SCHOOL PARKING**

Double yellow lines will be in place outside the school in the next few weeks. Despite the best efforts of the school, parking has been a long standing and intractable problem with children's safety being put at risk on a daily basis.

### **FARM SHOP**

A big thank you from all at Fulford Hall Farm to everyone who returned the questionnaire about a farm shop. The response has been great, and whilst the farm shop is still in the planning stages the farm is pleased to be able to offer pre-orders for their lamb and pork meat boxes.

For further information contact Jade on 07854213236.

## FULFEST 2017

Due to important family commitments over the summer the Fulfest organising group will be taking a break this year, so although there may be other events during the summer, the main music event will be at the Shoulder of Mutton on Saturday July 1<sup>st</sup>. Celebrating seven years in the village there will be live music starting at 3.00 p.m. as well as great food and drink, garden competition results and photo competition voting.

## ANNA IRWIN

### HELP FUND THE FIGHT FOR ANNA IRWIN

Anna is not only a National hero, but is also a "Fulford Girl born and bred" who has sadly been diagnosed with Stage 4 lung cancer.

Anna grew up in Tudor Hollow, the daughter of Mick and Nina Irwin, and is trying to raise £45,000 to be split between two cancer charities and treatment for herself in Spain.

In 2013 Anna was presented with an award for 'Most Outstanding Airman' by Prince Charles and the Duchess of Cornwall at the national Military Awards in London. She had been part of a medical emergency response team dispatched to rescue eight soldiers after a suicide bomb attack on their base in March that year. Even when a rocket-propelled grenade struck close by, brave crewman Sergeant Anna kept a cool head to keep the Chinook helicopter on the ground until all were safely on board, fending off Taliban gunmen with a machine gun.

There is a giving page on Facebook that many kind people have already used to make donations as well as via the <https://www.gofundme.com/fund-the-fight-for-anna-irwin> website.

It was with sadness that we said goodbye to Peter, Cathy, Michael and Sarah Dakin just before Christmas but are glad to hear they are settling into their new home and village well. Thank you to the members of the Church who have overseen the cover of services in the interim and for putting together such a wonderful Parish profile for the advertisement in the Church Times. ## **HIGHWAYS**

Maintenance of the village infrastructure is no longer done routinely so it is in our interest to report blocked drains, holes in the roads, street lights, flooding, areas that have become hazardous, grit bins that need filling, etc. It is a very easy process either by phone, or quite simply and accurately on the County Council website, it takes 2 minutes on [www.staffordshire.gov.uk/](http://www.staffordshire.gov.uk/) "road or lighting faults". Or phone 0300 111 8000. Environmental issues, such as littering, graffiti, dog mess, sharps, fly tipping and problems with children's play areas, can all be reported with just one phone call to StreetScene or on the Borough Councils website [www.staffordbc.gov.uk](http://www.staffordbc.gov.uk)

## **THE VILLAGE HALL [www.fulfordvillagehall.org.uk](http://www.fulfordvillagehall.org.uk)**
