

# FULFORD VILLAGE AUTUMNAL WALK SUNDAY November 6<sup>th</sup> 2011

Starting on the Village Green at 11.00 this will be our longest walk taking in the beautiful views and autumnal colours as we head down to the Boar for warming pint.

Coming back via the Spot Gate, the walk will be at a gentle pace and will take us on footpaths around the village. The walk will however, involve climbing over stiles and walking across muddy terrain, so sturdy footwear is recommended and wellies if there has been lots of rain.

We will be back by about 2.00 in time for anyone who has worked up an appetite to have Sunday lunch or hot baps at the Shoulder.
